

(technical specification)

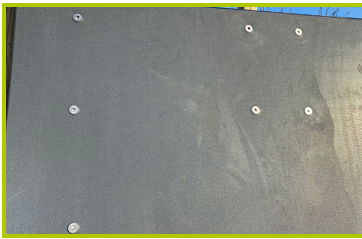

J5915

1- **The 95 x 95mm posts** are made of painted galvanised steel, ensuring robustness and durability. The caps are made of injection moulded polyamide.

2- **The platform** is made from a 12.5mm thick textured and non-slip compact material (HPL).

3- **The ramp** is made from a 12mm thick, non-slip polyethylene material.

4- **The tubes** are made of 40mm diameter stainless steel, guaranteeing lasting durability and reliability of the equipment.

5- **The fixings** are made of stainless or plated steel and protected by anti-vandalism polyamide caps.
